

Dear Neighbor,

I thought I'd write to you to introduce you to something you may not be familiar with. My name is Michele Hunt and I work for the Apollonia Dental Center - a group of Bakersfield dentists who I think are the best in the world. Their names are Dr. Neil Millikin, and Dr. John Scoggins. Our practice has been growing for as long as I can remember! It is made up of people like you, that are genuinely interested in keeping their mouths as healthy as possible for their entire lives.

I finally realized why we have developed such a strong following. It's because each of our doctors really cares about every one of his patients. Have you ever felt like you were on a "dental assembly line?" At our office, we'll make you feel good again about your dental health. You'll never feel like a number! We practice the most up-to-date dentistry in the good "old fashioned" style!

I don't know about you, but I wouldn't trust my dental health to someone I didn't know. That is why I'd like to make you an offer that would be real tough to turn down. Come on in, meet Dr. Millikin or Dr. Scoggins, and we'll even do an initial visit for you at the special fee of \$25. This way, you'll be able to see what we're all about at no risk.

If you value your dental health, I invite you to call me today at **831-9024** to schedule an appointment with Dr. Millikin or Dr. Scoggins. You are also welcome to come by and see us any time you wish. We are conveniently located at 3720-C Gosford Road at White lane (in the Albertson's shopping center right next to Me-N-Ed's Pizza). Just ask for me and I'll be glad to give you a tour of the office. You will then see why I am so excited to be in such a great practice, working for the best dentists that I have ever seen. I'll look forward to your call.

Very truly yours,

M ichele

Michele Hunt
